Q 310

Roof Mount DVD - CD Player

Features

- 9.2" roof mount drop down LCD screen
- DVD & CD player
- Built-in dual dome lights (manual & door switch operable)
- Built-in RF output - tune to your car stereo
- Built-in IR output for optional cordless headphones
- Built-in speaker
- A/V input & output
- PAL/NTSC playback
- Remote control
- User manual
- Optional IR cordless headphones
- Power - 12VDC

- Supplied in Mongoose presentation carton.

The roof mounted 9.2" LCD colour screen with the built-in DVD player offers excellent picture quality and flips up neatly out the way when not in use.

Play the sound through your existing stereo system, or you can listen to your own music in the front (or just silence!) as your rear passengers can use the optional infrared headphones to watch DVD's or listen to their own music from CD's.

Long car journeys will never be the same again.
"Are we there yet?" will be a thing of the past
once you have your own rear seat entertainment.

Features

- 7.00" LCD screen (16:9)
- 3 colour options: black - grey - beige
- IR & RF transmitters
- Remote control x 2
- Earphones (wired) x 2
- IR cordless headphones x 2
- Game controllers x 4
- 100 games on disc
- SD Card input
- USB input
- Power & AV cables
- Rods expand sideways for universal fitting
- 2 sets support rods (10mm - 12mm)
- Power - 12VDC

- Supplied in Mongoose presentation carton
2 x DVD headrest players per carton

Q 410

Headrest DVD - CD Players

Designed and manufactured exclusively for Mongoose, these DVD headrest players are packed with features as shown. Supplied as a pair in a choice of 3 colours (or can be re-trimmed to match the car), they simply replace the existing headrests.
