

Pioneer TSG1042R

Pioneer TSG1042R 4" (10cm) 2 way Speaker System

Compact, yes. Powerful, definitely: our TS-G1042R two-way speakers handle 110 watts max. power.

They feature Pioneer's extremely strong and lightweight IMPP™ Composite Cone Woofer, for improved sensitivity and reduced distortion, and the 1-3/16" Balanced Dome Tweeter offers great performance on high frequencies.

The TS-G1042R's are compatible with 4- and 2-hole factory speaker locations and have removable screw holes, to ensure they fit any 4" speaker application.
