

TS-G1342R

5 1/4" 2-Way Speaker with 140 Watts Max. Power

- 25 Watts Nominal Power
- 1-3/16" PEI Balanced Dome Tweeter
- Metallic Silver IMPP Composite Cone Woofer

These 5-1/4" two-ways handle 130 watts max. power and feature Pioneer's extremely strong and lightweight IMPP™ Composite Cone Woofer, for improved sensitivity and reduced distortion. The High-Energy Neodymium Magnet and Aramid Fiber Damper deliver higher power handling and deeper bass, and the 1-3/16" Balanced Dome Tweeter reproduces highs with excellent accuracy and musicality. The TS-G1642R's offer a perfect fit and sound quality to match.

These speakers are designed with a shallow mounting depth for easy install into a wide variety of vehicles.
