## **Uniden VS2600XR**

**One of Uniden's next generation vehicle security systems.**

**The VS2600XR is standards certified and is designed to meet the AS/NZS4601 immobiliser standard, as well as the AS/NZS3749 alarm standard. It includes black security function wires and a security housing that encloses the connectors (this makes it impossible for a thief to defeat the alarm by identifying the wires or unplugging the alarm).**

- \* 5 Star Rating - New Zealand Security Association Inc.**
- \* Comes with 12 months warranty but with a NZSA certifi**
